## ABOUT US...

---

Big Mama's has been cooking, serving and selling Southern "Down Home" food for over 75 years.

Born in Burda, Georgia (just outside of Griffin, south side of Atlanta), Big Mama migrated north to Chattanooga, TN. She owned and operated numerous restaurants in Chattanooga, TN, Old Town Pasadena, CA and Las Vegas, NV.

Her son Dargin McWhorter opened the doors of Big Mama's Cooking, Inc on March 7, 1992 in Las Vegas, NV with the help and support of his wife and children. On September 20, 2002 the Pasadena location opened.

Big Mama's continues to remain family owned and operated establishment that attracts both locals and celebrities because of our unique dining experience and sumptuous food. All entrees and deserts are prepared fresh daily to order. It is true "down home" Southern food crafted with careful attention to the tradition and love handed down from Big Mama's original personal recipes.
